I'm at a payphone trying to call home all of my change I've spent on you
Where are the times gone baby It's all wrong, we're at the place we made for two

I know it's hard to remember the people we used to be
It's even harder to picture that you're not here next to me

You said it's too late to make it but is it too late to try?
And then that time that you wasted, all of our bridges burnt down

I've wasted my nights, you turned out the lights Now I'm paralyzed,
Still stucked in that time when we called it love But even the sun sets in paradise,

I'm at a payphone trying to call home all of my change I've spent on you
Where are the times gone baby It's all wrong, we're at the place we made for two

If happy ever after did exist I would still be holding you like this
And all those fairytales are full of it one more stupid love song I'll be safe

You turned your back on tomorrow, cause you forgot yesterday
I gave you my love to borrow, but just gave it away

You can't expect me to be a friend, I don't expect you to care
I know I said it before, but all of our bridges burnt down

I've wasted my nights, you turned out the lights Now I'm paralyzed,
Still stucked in that time when we called it love But even the sun sets in paradise,

I'm at a payphone trying to call home all of my change I've spent on you
Where are the times gone baby It's all wrong, we're at the place we made for two
